Spongemat - Water Absorbing

Perfect for heavily trafficked indoor entrances.

Classic scraping pattern molded to a rubber backing. The face nubs provide outstanding wiping and scraping performance, and allow soil and water to be trapped beneath shoe level.

- Can hold up to 1.5 gallons of water per square yard.
- Raised rubber dam borders trap moisture, dirt and sand keeping it contained within the mat, off the floor.
- Extra tough molded construction prevents pile from crushing, extending mat life.
- Grippers on the underside of the mat minimize movement.
- Soaks up snow, water and ice quickly.
- 100% polypropylene tufted carpet resists fading and staining.
- ADA compliant: This mat exceeds the American Disabilities Act (ADA) for wet and dry slip resistance, and tested in accordance with the ASTM C-1028 static coefficient of friction.

Made in the USA

Recommended Uses:

High traffic indoor entrances.
Water/drinking fountains.
Office kitchens.

Specifications:

Fiber Content: Polypropylene Needle-punch

Carpet weight: 26oz./S.Y.

Secondary backing: SBR Rubber

Product Weight: 0.88 lb./s.f.

Flammability: Meets or exceeds FMVSS-302 (FEDERAL MOTOR VEHICLE SAFETY FLAMMABILITY STANDARD 302). Meets or exceeds CPSC FF170 (Consumer Products Safety Commission Flammability Test).

Stayput Gripper Indoor Entry Mat

Perfect for indoor entrances

A classic construction in commercial matting, the Stayput is a machine-washable, commercial mat with durable nylon yarn and nitrile rubber backing.

- Luxurious, heavy, 100% nylon surface provides outstanding absorption, durability, and color fastness.
- Heat set fibers resist matting down and allow dirt to be trapped between them, hiding it from sight.
- Molded rubber backing resists curling and cracking in all weather conditions.
- Nitrile rubber backing with cleats minimizes movement.
- Machine washable. Nitrile rubber backing is more resistant to detergents; can be washed more frequently; more oil resistant)
- Great for indoor entrance areas.
- Thickness: Approx. 3/8"

Made in the USA

Please see next page for more information and pricing...

Continued from previous page...

The Stayput Gripper has a cleated backing to minimize movement on carpets, as well as smoother surfaces such as tile, cement, wood, etc.

Specifications:

Fiber Content: Heat-set, Dyed Nylon

Carpet weight: 22.5 oz./S.Y.

Product Weight: 0.60 lb./s.f.

Secondary backing: Nitrile Rubber (more resistant to detergents; can be washed more frequently; more oil resistant)

Brush & Clean Mat (Scraper & Wiper Mat)

The Brush & Clean mat is part 2 of our complete, 3-part, mat system to keep your entrances safe & clean!

The 3-part system provides a color matched, coordinated product line for outside entrances, lobbies and inside use. Each product is designed for the heaviest traffic conditions and to meet the demands of your entrance. Of course, this mat can also be used on its own, without including the other 2 parts of this 3-part system.

Sequence	Product	Usage
Part 1	Brush Loop	Used as a scraper mat outside of your entrance.
Part 2	Brush & Clean (this page)	Used as a scraper and wiper mat in lobbies and vestibules.
Part 3	Clean Loop	Used as a wiper mat to complete the cleaning and drying process.
Note: Each mat can be used on its own (3-part system not required)		

Brush & Clean Mat

- Perfect for lobbies and vestibules on the immediate inside of the entrance
- Dual cleaning action: dirt scraping grass fibers combined with water absorbing polypropylene fibers - two great functions for the price of one.
- Loop-pile construction effectively hides dirt below the surface.
- Holds up in heavy traffic conditions.

Made in the USA

Specifications:

Fiber Content: Polypropylene Olefin & Grass

Carpet Weight: 20.2 oz./S.Y.

Secondary Backing: PVC (Vinyl)

Maxima Edge Mat

Ideal for High Traffic Indoor Entrances.

This high-low super tough matting is virtually indestructible. Comes with a glued and stitched-on thick PVC border.

- Heavy-duty, 1.5" wide PVC edging for ultimate edge protection.
- Beveled edging lies flat and reduces slipping in high traffic commercial settings.
- 45 oz. of extra coarse polypropylene fibers and dense construction provide aggressive scraping action.
- Distinctive hobnail pattern withstands tough indoor and outdoor elements to retain massive amounts of water, dirt, and snow.
- 100% polypropylene needlepunch carpet has superior stain resistance and outstanding colorfastness.
- Latex commercial backing.
- Superior performance in heavy-traffic areas such as foyers, lobbies, and indoor and outdoor entrances.
- Available up to 13' 5" wide.

Made in the USA

Please allow approx. 6-8 weeks for production and delivery since the border has to be hand glued and stitched onto the mat.

Also available is the [Maxima mat with no edging](#)

Entry Logo Mats

Our personalized custom logo mats are a great way to advertise at the entrance of your business. These mats have a washable, rubber gripper back for safety and longevity. The carpet top is produced using micro-jets that directly inject the dye deep into the carpet fibers, producing vibrant yet durable and fade-resistant mats. Other manufacturing processes use inferior "overprinting" where screen printing or transfer printing merely adds color to the tops of the carpet fibers, which ultimately wears off. Artwork submission/approval, production and delivery is typically about 4 weeks.

- No minimum quantity orders (single mat orders okay)!
- No set-up fees or artwork processing charges (a saving of \$50 or more).
- Luxurious, heavy 100% nylon surface provides outstanding absorption and durability.
- Logo and mat are solution dyed to prevent fading.
- Heat set fibers allow dirt to filter between them hiding it from sight.
- Molded nitrile rubber backing resists curling and cracking in all weather conditions.
- Cleated rubber backing minimizes movement.
- Available in various sizes:
For example: 3'x5' custom logo mats are ideal for single doors.
For example: 4'x6' custom logo mats are ideal for double doors.
- Low Profile Rubber Border: 5/8" width
- Thickness: 1/4"
- Meets the specifications of the Americans with Disabilities Act (ADA).
- Variety of mat colors from which to choose. See [Color Chart](#).
- Allow approx. 4 weeks for production and delivery

Specifications:

Fiber Content: Heat-set, injection dyed Nylon
 Carpet weight: 24 oz./S.Y.
 Fiber Type: Nylon 6,6
 Product Weight: Approx. 0.50 lb./s.f.
 Flammability Test: Passed DOC-FF1-70 and DOC-FF2-70
 Secondary backing: Nitrile Rubber (more resistant to detergents; can be washed more frequently; more oil resistant)

**Step 1
Choose your mat size:**

Nominal Size	Actual Size *	Price
2' X 3'	22"x33"	\$84.99
2.5' X 3'	27"x33"	\$89.99
3' X 4'	33"x45"	\$139.99
3' X 5'	33"x57"	\$159.99
3' X 6'	33"x68"	\$189.99
3' X 10'	33"x115"	\$329.99
4' X 6'	45"x68"	\$249.99
4' X 8'	45"x91"	\$339.99

[Request Quote for Custom Sizes](#)

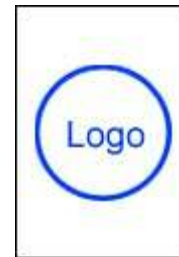

* Note: Please allow up to a 2-3% tolerance from the actual size.

Nominal Size	Actual Size *	Price
4' X 10'	45"x115"	\$399.99
4' X 12'	45"x139"	\$479.99
5' X 8'	57"x91"	\$399.99
5' X 10'	57"x115"	\$499.99
5' X 12'	57"x139"	\$599.99
5' X 20'	57"x230"	\$999.99
6' X 8'	68"x91"	\$1099.99
6' X 10'	68"x115"	\$1379.99

**Step 2
Choose your mat orientation:**

**Horizontal
(Landscape)**

**Vertical
(Portrait)**

**Step 3
Once you have placed your online order, email us your logo specifications:**

After you place your order, you will immediately receive an email with complete instructions on providing your logo artwork (must be high resolution, JPG or EPS preferred, no DOC files), logo size, and your desired mat color (see [color chart](#))

**Step 4
Artwork Proof & Approval:**

After we receive your logo, we will send you a proof for your approval. Production will begin only once we receive your approval.

Please see next page for more information and pricing...

Velcro Adhesive Tape

Do you have a mat lying on carpet that moves or "creeps?" Here's your solution...

Our velcro self-adhesive tape has velcro on one side and a sticky layer on the other side. Just attach the sticky side to the back of a flat-backed (smooth) mat, and the velcro side will keep it in place on your carpet.

This peel-and-stick, double-sided, 1/8" thick tape with interlocking "teeth" will help vinyl-backed mats stay in place.

- Easy to install onto mat.
- Mat remains removable to allow cleaning the carpet underneath.
- Color: Black
- Width: 1"
- Length: Available in 10' or 25' lengths

Made in the USA

10' length - **\$29**

25' length - **\$65**
