Commercial Outdoor Entry Mats

CleanScrape

- Extra tough grit surface.
- Ultimate anti-slip in all weather conditions.
- Heavy recycled rubber backing keeps mat in place.

Mission

- Parquet design scrapes shoes.
- Easy to clean - shake off.
- Heavy recycled rubber backing keeps mat in place.

Trooper

- Flexible rubber "fingers" scrape dirt away.
- Heavy, durable rubber base.
- Beveled edges for safety.
- Special non-skid backing prevents slippage.

Super Grip

- Heavy, durable, 100% nitrile rubber.
- Excellent wearability and weather resistance.
- Cleated surface provides superior traction.
- Non-skid gripper backing

Looper

- Fortified vinyl coated nylon loops remove dirt, sand and moisture.
- Designed for the most demanding conditions.
- Easy to clean.

Brush Loop (Part 1 of 3)

- Outdoor entrance mat of a 3-part entry system.
- Grass fibers scrape dirt away.
- Heavy duty backing.

MegaLoop - Unbacked

- Unbacked to allow water and dirt to pass through.
- Ideal for pools, showers, and locker rooms.
- Mildew resistant.

MegaLoop - Backed

- Looped and intertwined vinyl filament surface.
- Smooth vinyl backing.
- Traps debris.

CleanScape Outdoor Entrance Mats

**Extra Tough Grit Surface
Provides Superior Scraping**

The durable TireTuff™ CleanScape mat provides top-of-the-line scraping performance for any outside entrance setting.

- Eco friendly recycled rubber product.
- The most aggressive cleaning mat on the market!
- Innovative grit surface effectively cleans shoes while hiding dirt in recessed channels.
- Repels water and dries quickly.
- Fashionable and elegant design.
- Raised border holds water and debris in the mat and off the floor.
- Extra heavy recycled rubber base keeps mat in place.
- Patented grit surface provides ultimate anti-slip characteristics in all weather conditions.
- Surface grit is UV stabilized (won't fade with sun light exposure)
- Easy to clean - just shake or hose off.

Trooper Mat (Finger Mat)

This rubber door mat is ideal for extreme outside conditions. The construction of the Trooper mat (also known as a finger mat) easily cleans mud or snow off the shoes.

- Flexible Rubber "Fingers" scrape dirt away from shoes, then deposit it below the walking surface.
- Heavy, durable rubber base helps to hold mat in place.
- Beveled edges for safety.
- Easy to clean. Just hose off.
- Available in black.
- Often matched with water absorbing indoor carpets.

Brush Loop Mat (Scraper Mat)

The Brush Loop mat is part 1 of our complete, 3-part, mat system to keep your entrances safe & clean!

The 3-part system provides a color matched, coordinated product line for outside entrances, lobbies and inside use. Each product is designed for the heaviest traffic conditions and to meet the demands of your entrance. Of course, this mat can also be used on its own, without including the other 2 parts of this 3-part system.

Sequence	Product	Usage
Part 1	Brush Loop (this page)	Used as a scraper mat outside of your entrance.
Part 2	Brush & Clean	Used as a scraper and wiper mat in lobbies and vestibules.
Part 3	Clean Loop	Used as a wiper mat to complete the cleaning and drying process.
Note: Each mat can be used on its own (3-part system not required)		

Brush Loop Mat

- Perfect for outdoor entrances
- All grass fiber mat provides tough scraping action to remove dirt and debris from shoes.
- Loop-pile construction effectively hides dirt below the surface.
- Holds up in heavy traffic conditions.
- Maintains clean appearance even after extended use.
- Commercial grade vinyl backing for extra durability.

Made in the USA

Specifications:

Fiber Content: Polypropylene Grass

Carpet Weight: 20.2 oz./S.Y.

Secondary Backing: PVC (Vinyl)

Product Weight: 0.66 lb./s.f.

Entry Logo Mats

Our personalized custom logo mats are a great way to advertise at the entrance of your business. These mats have a washable, rubber gripper back for safety and longevity. The carpet top is produced using micro-jets that directly inject the dye deep into the carpet fibers, producing vibrant yet durable and fade-resistant mats. Other manufacturing processes use inferior "overprinting" where screen printing or transfer printing merely adds color to the tops of the carpet fibers, which ultimately wears off. Artwork submission/approval, production and delivery is typically about 4 weeks.

- No minimum quantity orders (single mat orders okay)!
- No set-up fees or artwork processing charges (a saving of \$50 or more).
- Luxurious, heavy 100% nylon surface provides outstanding absorption and durability.
- Logo and mat are solution dyed to prevent fading.
- Heat set fibers allow dirt to filter between them hiding it from sight.
- Molded nitrile rubber backing resists curling and cracking in all weather conditions.
- Cleated rubber backing minimizes movement.
- Available in various sizes:
For example: 3'x5' custom logo mats are ideal for single doors.
For example: 4'x6' custom logo mats are ideal for double doors.
- Low Profile Rubber Border: 5/8" width
- Thickness: 1/4"
- Meets the specifications of the Americans with Disabilities Act (ADA).
- Variety of mat colors from which to choose. See [Color Chart](#).
- Allow approx. 4 weeks for production and delivery

6' X 8'	68"x91"	\$1099.99
6' X 10'	68"x115"	\$1379.99

**Step 2
Choose your mat orientation:**

**Horizontal
(Landscape)**

**Vertical
(Portrait)**

**Step 3
Once you have placed your online order, email us your logo specifications:**

After you place your order, you will immediately receive an email with complete instructions on providing your logo artwork (must be high resolution, JPG or EPS preferred, no DOC files), logo size, and your desired mat color (see [color chart](#))

**Step 4
Artwork Proof & Approval:**

After we receive your logo, we will send you a proof for your approval. Production will begin only once we receive your approval.

Please see next page for more information and pricing...
