## Wrestling / Martial Arts

Wrestling Mats

Martial Arts Mats

## Wrestling Products

Great champions work year round. Our home wrestling mats are excellent for a small room, garage or even the back yard. They allow you to work on improving your skills any time of day or year.

### Remnant Wrestling Mats

These wrestling mats are manufactured by using remnants from newly manufactured larger mats. You have a choice of colors when purchasing these new mats, and you reap the benefits of a significant cost savings over a new, custom mat order.

**Size:** 5'x10', 10'x10', 12'x12'

**Thickness:** 1" or 1.25"

**Price:** Starting at \$315 (includes shipping)

### New Wrestling Mats

These wrestling mats are custom manufactured as per your specifications. Choose your desired colors to get the exact mat you want.

**Size:** 5'x10', 10'x10', 12'x12'

**Thickness:** 1" or 1.25"

**Price:** Starting at \$370 (includes shipping)

### Protective Wall Padding

Obtain additional protection by padding your walls and avoiding injury during active workouts.

**Size:** 2'x5', 2'x6', or custom size

**Thickness:** 2" or 2-5/8", 14 oz. or 18 oz.

**Price:** Starting at \$56 (plus shipping)

***Please see next page for more information and pricing...***

*Continued from previous page...*

### Safeguard Plus Wall Pads - Class-A Fire Rated (ASTM E84-91a)

Perfect protection for environments requiring a Class-A fire rating. Pad your walls and avoid injury during active workouts.

**Size:** 2'x5', 2'x6', or custom size

**Thickness:** 2" or 2.5", 14 oz.

**Price:** Starting at \$140 (plus shipping)

### Wrestling Mat Tape

Clear wrestling mat tape used to attach mat pieces together.

**Size:** 3"x84' or 4"x84'

**Price:** Starting at \$17.70 (includes shipping)

### Mat Cleaner/Disinfectant

KenClean Plus mat disinfectant and cleaner is used to clean and disinfect your mat, but won't harm your mat's finish.

**Price:** Starting at \$74.95 (includes shipping)

*Please see next page for more information and pricing...*

*Continued from previous page...*

## **Mat Transporter / Mat Dolly**

After using your wrestling mat, simply tilt this seven pound, aluminum, lightweight transporter under any rolled up mat section.

**Price:** \$179.99 (includes shipping)

## Remnant Wrestling Mat

**What is a remnant mat?** Wrestling mat foam comes in 5' width rolls by many yards long. We lay these rolls side by side and glue them together to form the size mat a school or customer has ordered. When we come to the end of these rolls there is material left over. These left over pieces measure anywhere from 1' to 6' long. We store these pieces until we have enough material to manufacture a home use mat. These mats are made from new material. Sometimes from storing these pieces they may develop a small crease or small indent. These imperfections would classify the mat as a second.

A wrestling mat must have excellent shock absorption, tear resistance, and compression qualities. For this reason, we rely on PVC rubber nitrile foam designed specifically for impact protection. In fact, you'll find this product in football helmets, karate pads, and under artificial turf. Wrestling mats made from Polyethylene foam can't compare to the physical properties of PVC rubber nitrile foam.

After a mat has been manufactured it goes through a two week curing process prior to shipping. A powder coating is applied to the mats to assure that it doesn't bind to itself. Upon receipt, all mats will need to be cleaned.

### Features:

- 3-year manufacturer guarantee.
- Ensolite foam core. Tougher than Trocellen foam used by other manufacturers.
- Thickness: 1" or 1.25".
- Coated edges to prevent deterioration.
- One 3" roll of tape included with 10'x10' and two section 12'x12' mats.
- 12'x12' two section wrestling mats come as two 6'x12' pieces with a 10' circle and referee markings.
- 12'x12' one piece wrestling mats come with a 10' circle and referee markings.
- 10'x10' wrestling mats come as two 5'x10' pieces with 8' circle/referee markings.
- 5'x10' mats come as one piece with no markings and no tape.
- Color of mat and color or markings are selected by you.
- [Custom sizes](#) can be produced to your specifications.
- See our [mat care instructions](#).

***Please see next page for more information and pricing...***

*Continued from previous page...*

Currently, please allow approximately **4-5 weeks** for manufacturing and delivery of all remnant wrestling mats. Price for mats **includes ground shipping**. 5'x10' and 10'x10' (two section) mats ship via UPS Ground and 12'x12' (two section and one piece) mats ship via Roadway (truck).

**Note:** To check availability of in-stock remnant wrestling mats that can generally be received within two weeks, please [contact customer service](#).

**Note:** Unfortunately, we do not ship the following mats outside of the contiguous 48 United States.

## Protective Wall Padding

Our Conventional Wainscot Wall Panels are manufactured with a 7/16" thick, wooden back panel that provides a 1" nailing lip at the top and bottom of each panel. Conventional wainscot panels are recommended for brick or ceramic block walls.

Our 14 and 18 ounce per square yard vinyl fabric provides great puncture and tear resistance. Our fabric is fire retardant, compounded with anti-bacterial and anti-fungal agents, and can be easily cleaned with mild soap and water.

Choose the foam core that provides the protection you need:

- **Guardian:** 1-3/8" thick crosslink polyethylene foam is laminated to a 7/16" thick wood backing to create a total panel thickness of 2". Provides light to medium duty protection against injury.
- **Duo Guard:** 1-3/8" thick crosslink polyethylene foam combined with a 5/8" thick polyurethane foam is laminated to 7/16" thick wood backing to create a total panel thickness of 2-5/8". Provides maximum duty protection against injury.

Available in 8 colors

Available height: Standard 5', Standard 6', or custom height

Panel width: Standard 2' wide or custom width

## Safeguard Plus Conventional Wall Padding Class-A Fire Rated

Our Safeguard Plus Conventional Wainscot Wall Padding has a Class-A fire rating in accordance with ASTM E84-91a (Standard Test Method for Surface Burning Characteristics of Building Materials). This fire rating encompasses the entire panel including the wood backing, neoprene foam core and vinyl cover! The wall panels are manufactured with a 7/16" thick, wooden back panel that provides a 1" nailing lip at the top and bottom of each panel. Safeguard Plus wainscot wall pads are recommended for brick or ceramic block walls.

Our 14 ounce per square yard vinyl fabric provides great puncture and tear resistance. Our fabric is fire retardant, compounded with anti-bacterial and anti-fungal agents, and can be easily cleaned with mild soap and water.

**Safeguard Plus:** 1.5" thick (8.5 lb. density) or 2" thick (5.5 lb. density) open-cell neoprene foam laminated to a 7/16" thick treated wood backing to create a total panel thickness of 2" or 2.5". Note that the 2" thick foam is somewhat softer (less dense) than the 1.5" thick foam.

- Available in 8 colors
- Available height: Standard 5', Standard 6', or custom height
- Panel width: Standard 2' wide or custom width
- Class-A compliant flame spread index: 15 (allowable range: 0-25)
- Class-A compliant smoke developed value: 250 (allowable range: 0-450)
- Download our [Wall Padding Installation Instructions](#)

For a non fire rated, less expensive option, see our [Guardian and Duo-Guard Wall Pads](#).

All prices include shipping within the continental USA

## Mat Disinfectant Germicide & \*Virucide Cleaner

KenClean Plus mat disinfectant and cleaner is used to clean and disinfect your mat, but won't harm your mat's finish.

Not all wrestling mat disinfectants are created equal. Make sure yours kills the \*viruses, bacteria and fungi that can cause health problems. KenClean kills the following:

- HIV-1 (AIDS) Virus\*
- Herpes Simplex Type 1\*
- Staphylococcus Aureaus
- Streptococcus Faecalis
- Streptococcus Salivarius
- MRSA
- Trichophyton Mentagrophytes (Causative agent responsible for RINGWORM)
- Refer to label for additional benefits
- For effective protection must be used in accordance with instructions on label.

Made in the USA

KenClean Plus was formulated to be cost effective and easy to use. Just 2 ounces of KenClean Plus per gallon of solution not only cleans your mats but also disinfects them. If three gallons of water are used to clean your mats, then you would add 6 ounces of KenClean Plus per cleaning.

**One 1-Gallon Container: \$74.95**

**Case of four 1-Gallon Containers: \$189.95**

(includes shipping within the continental USA)

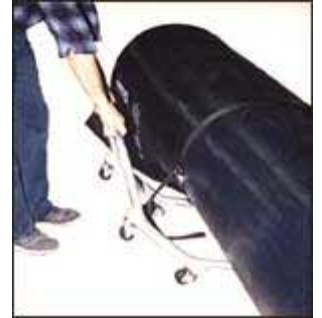

## Mat Transporter / Mat Dolly

After using your wrestling mat, simply tilt this seven pound, aluminum, lightweight transporter under any rolled up mat section. A quick push and upright tilt, and the mat is ready to move on four heavy duty, non-marking casters. Comes pre-assembled and ready to use.

Depending on the size of your wrestling mat (or the size of the mat sections), you may need multiple mat transporters.

NOTE: This is for transporting and lifting mats, NOT for storing mats. Permanent damage of mats will result if used otherwise.

**Price:** \$179.99 (includes shipping within the continental USA)

## Martial Arts Products

Great champions work year round. Our martial arts mats are excellent for a dojo floor, studio, club, small room, garage or even the back yard. They allow you to work on improving your skills any time of day or year.

Martial Arts DVDs

**Price:** Starting at **\$29.95**

## Folding Martial Arts Mat (In-Stock Special)

Crosslink folding mats are ideal for practicing martial arts. These mats are in stock in two sizes (4'x8'x1-3/8" and 4'x12'x1-3/8"). Both sizes fold into two-foot widths for easy stacking and storage. The mats are covered with extra heavy duty, 18oz. double coated polyester fabric (more durable than the 14 oz. vinyl sold by competitors). The combination of heavy vinyl, high weave count polyester, and top coat fusing gives the best puncture and tear resistance, stitch strength, and abrasion resistance in a fabric covered mat.

- Thickness: 1-3/8"
- Comes in two sizes: 4'x8' or 4'x12'
- Each panel is 2' wide (4'x8' has 4 panels; 4'x12' has 6 panels)
- Core made of crosslink polyethylene foam.
- Velcro on each end to join mats end-to-end
- Available in red or blue.

Made in the USA

(includes shipping within the continental United States)

In-Stock 4'x12' Mat:

**\$225**

(includes shipping within the continental United States)

## Folding Martial Arts Mat (Made to Order)

Each of these custom manufactured martial arts mats is made-to-order using the finest materials available. Our mats are available in a variety of types for martial arts skill levels, ranging from beginner to advanced.

The crosslink (cross-linked polyethylene) foam filler used in these mats combines superior energy absorption and resilient cushioning in a very lightweight material that stubbornly resists degradation and breakdown. The mats fold accordion style into two-foot widths for easy stacking and storage and are covered with extra heavy duty, 18oz., coated vinyl (more durable than the 14 oz. vinyl sold by competitors). The combination of heavy vinyl and high weave count polyester gives the best puncture and tear resistance, stitch strength, and abrasion resistance in a fabric covered mat. 2" velcro fasteners are available on the two short sides for end-to-end attachment, while velcro on all four sides is available for mat extensions in any direction.

Choose from a variety of 11 colors, 5 standard sizes (custom sizes also available), and 4 styles.

[See other limited styles!](#)

- Thickness: 1-3/8" or 2".
- 2" velcro fasteners on 2 short sides or all 4 sides.
- Covers are crafted of extremely durable 18 oz. coated vinyl (polyester scrim).
- Stitched with Dacron thread.
- Comes in various sizes and [colors](#).
- Core made of cross-linked polyethylene foam.
- **Allow approx. 2 weeks for production and delivery, less if in stock.**

**Note:** All prices include ground shipping within the continental USA.

## Deluxe Martial Arts Mats

The deluxe martial arts mats feature a two-layer construction to provide good footing while at the same time providing extra cushion to achieve maximum energy absorption. The bottom layer is 1" thick, high rebound, 3570 Polyurethane foam for cushion, while the top layer is made of 1-3/8" crosslink foam to provide a firmer top surface. Ideal as a judo mat, tae kwon do mat, karate mat, grappling mat, or any other type of martial arts training mat. All sizes feature 2' panels that fold accordion-style for easy storage and transport, along with velcro on all four sides to enable joining mats side-by-side to make larger areas.

- Durable 18 oz. fabric cover.
- Total thickness: 2-3/8".
- Available various [colors](#).
- Velcro on all 4 sides.
- Please allow approx. 4-5 weeks for production and delivery.

Made in the USA

## Martial Arts Flooring - Reversible Interlocking Foam Floors

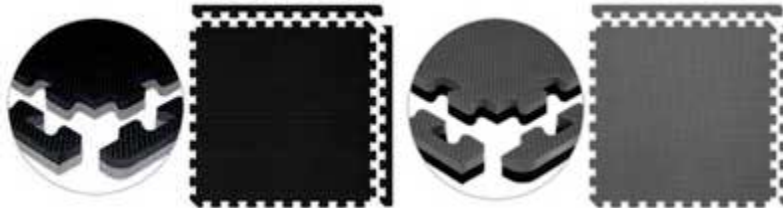

Martial arts interlocking floor tiles make the perfect martial arts floor or any other workout area requiring cushioned flooring. They create a durable, comfortable and padded surface ideal for training. Each 2' x 2' x 7/8" interlocking foam tile is lightweight, durable and is available in two reversible colors so you can create a unique look for your martial arts floor. Puzzle mat system allows for permanent or portable use.

- We offer the lowest price on this product. [Guaranteed!](#)
- Professional grade, shock absorbing, anti-fatigue foam flooring.
- Lightweight, durable and assembles in minutes
- Made of EVA foam.
- Non-Toxic, Lead-Free, Latex-Free.
- Tile material is completely waterproof and will not absorb water.
- Fire Retardant - Meets the flammability requirements of FHSA Section 1500.3.
- Conforms to "Standard Consumer Safety Specification" - ASTM F963-92.
- Perfect for indoor as well as outdoor use.
- Creates a contemporary look and feel.
- Available in various pre-selected sizes or create your own size.
- Individual interlocking tile size: 2' x 2' x 7/8"
- Due to the interlocking nature of these tiles, each tile size will be reduced by approximately 1.5% when connected together. Therefore, please make sure that the dimensions quoted, minus 1.5% in each dimension, will cover your required area (for example a 20'x20' quoted area would be approximately 19'8"x19'8").
- Weight of each tile: Approx. 1.8 lbs.
- Two reversible color combinations from which to choose: Red/Blue (red on one side, blue on the other side) or Black/Gray (black on one side, gray on the other side). Please note that color shades may sometimes vary slightly due to changes in dye lots.
- Each tile comes with two detachable edge pieces. Leave both edges on to make a corner tile, remove one edge piece to make a border tile, or remove both edge pieces to make an inside tile.
- Create your own floor! How many tiles do you need for your desired floor dimension? See our [Tile Calculator](#)

Jumbo Interlocking Foam Tiles (Case of 10 tiles): **\$399.99/case (\$40/tile, \$25/sf)**

## Seamless Flooring

Our custom, permanent seamless floors are ideal as a gymnastics floor, martial arts floor, dance floor, aerobics floor, or as a general exercise floor. It is made of light weight, 1-3/8" thick, crosslink polyethylene foam that combines superior energy absorption, resilient cushioning and great footing. It also stubbornly resists degradation and breakdown.

The single-piece, seamless flooring cover is made of an extremely durable, 18 oz., coated, vinyl material that contains an internal polyester scrim for extra strength and is heat welded approximately every 5 feet. Tough but not abrasive, this material is easily cleaned, does not stain or absorb moisture (unlike canvas), and will withstand years of heavy use. Available in Royal Blue, Red, Purple, Green, Yellow, Black, Orange, Maroon, White, Beige, Gray and Light Blue.

Foam and vinyl cover are provided. Installation is not included and is your responsibility (but it is a simple process for any professional installer). See our [installation instructions](#) for more information.

Each desired floor size must be custom quoted, but here is some sample pricing:

20'x20'x1-3/8": Approx. \$1,220 plus shipping.

40'x40'x1-3/8": Approx. \$4,000 plus shipping.

Minimum size requirement: 250 square feet

Product and shipping costs will be provided in the quote. Please allow approx. 3-4 weeks for production and delivery.

Made in the USA

## Throw Mats (4")

These throw mats are intended for use as an additional landing surface for practice and/or competition. Cover consists of a mesh breather top and 18oz. coated vinyl sidewalls/bottom with 2" nylon webbing handles on side and ends. All seams are double stitched. These mats are filled with prime 55 ILD polyurethane foam selected for its energy absorption properties.

- Durable 18 oz. fabric cover.
- Thickness: 4"
- Carrying handles on short ends and one long side.
- Available in Royal Blue, Red, or Green.
- Please allow approx. 4-5 weeks for production and delivery.

Made in the USA

## Karate DVD - The Ultimate Body Conditioning

For the first time ever, Soke Tak Kubota reveals hidden treasures of combat. See the secrets of hand and body conditioning used by the ancient Okinawa karate masters to defeat armed Japanese Samurai with their bare hands! Tak Kubota, the world's most knowledgeable karate master on ancient combat conditioning, demonstrates in detail the training that made him a lethal weapon! Knowing martial arts techniques is only a foundation. Hands and feet conditioning is the next step in delivering devastating blows with rock-crushing power! Many of these exercises and training methods have never been revealed to the public before.

For over 50 years beginners and black belts have benefited from Master Kubota's amazing unconventional methods!

Video length is approximately 55 minutes.  
Available on DVD.

**\$29.95**

## Kubotan® Self Defense Method

The Kubotan, developed by Grand Master Takayuki Kubota, is a self-defense device which doubles as a key chain. Originally developed to be used by police officers, the Kubotan technique has revolutionized the concept of unarmed self-defense for not only law enforcement officers, but also karate enthusiasts and everyday citizens.

Tens of thousands of people all over the world now carry and have been properly trained in the use of the Kubotan. Whether it is used for basic self-defense or in law enforcement applications as a restraint and control device, the Kubotan has proven its effectiveness repeatedly.

Video length is approximately 30 minutes.  
Included: DVD, Book and Key Chain Baton

## Anso no Kata - Meditation DVD

We are happy to present to you Anso no Kata, a meditation form, which is performed in a slow rhythmic fashion. It is designed to help relax your muscles during the various changing movements. Life is movement and movement is life, so it is important to practice meditation while in motion as well as in non-movement form.

This can heighten your awareness of yourself and your surroundings. True inner relaxation and calm is the foundation for the development of genuine power and energy.

Video length is approximately 30 minutes.  
Available on DVD.

**\$24.95**

## The Magic of Martial Arts

This video is an excellent introduction of the true spirit of martial arts to children. It discusses the realities of environmental violence to children and teaches them the wisdom of running away from potential trouble, whenever possible. Furthermore, it emphasizes that the use of physical techniques against another person is a last resort. The ingenious and creative uses of "magic", music, and comedy make this presentation fun and amusing to watch for both children and adults.

The "Magic of Martial Arts" is a Winner! KIDS FIRST! Coalition for Quality Children's Media GOLD AWARD! National Parenting Publications AWARD OF EXCELLENCE! Film Advisory Board.

Elayne Blythe, president, Film Advisory Board "The Magic of Martial Arts: Power Without Violence" is outstanding in production values, and in bringing such a great message to everyone -- that of power without violence, with great lessons in self-control -- both emotional and physical. A "must see" for children. Entertaining and inspirational."

Video length is approximately 30 minutes.  
Available on DVD.
