

Merry Christmas

A SPECIAL BULLETIN FROM THE NORTH POLE

Santa and the elves have
been busy loading the sleigh
for Christmas.
Because there were so many
good boys and girls this year,
we couldn't get all of the
presents into the sleigh!

Santa wants you to know that since
YOU were so terrific, a very special gift
will be arriving by one of Santa's helpers
shortly after Christmas.

Love,
Santa

*Just Remember,
don't you pout,
and don't you cry,
your special package
will arrive!*
